

Guided tour of Kalmar

Guided tour through the historical Kalmar!

You will walk with a skilled and dedicated guide who will tell you about Kalmar and takes you to its unique environments.

Kalmar is one of the oldest cities in Sweden and during the tour you will learn about the city's rich history starting in the 1100s with Kalmar Castle. For a long time the castle was an important fortress and nowhere else in Sweden, more blood has been shed than around Kalmar Castle.

The city walk starts at the Sylvander Park with a beautiful view over the castle and the guide will take you on a walk on the old city walls from the 1600s, show you all the beautiful old stone houses and the town square with the cathedral, the finest ecclesiastical building in Sweden from the Baroque period.
